

Camp Care Inc.

Developmental Physical Therapy for kids with special needs

~ Illuminating potential since 2002~

Camp Care Inc. is a local nonprofit organization providing free physical therapy for children and individuals with special needs. We offer developmental physical therapy in a group setting, which lends itself to education for parents and caregivers as well as building a community of connection for the families and volunteers.

We are currently focused on building our Boot Camp program and our original Intensive Day Program. These have been a huge source of success, direction, and support for all involved. We offer this family-oriented day program 3 x year. This year, our Christmas session will be

Saturday December 7, 2024

We are looking for PT/OTs and other professional Health care providers, as well as recreational volunteers, to be part of this inspiring community.

The participants receive guided functional and developmental exercises in the morning; all lead by a DPT guiding other PTs who are working with the individuals. Siblings are offered arts and crafts and recreation while parents are offered a time of respite, massage, and an opportunity to talk with other parents. All participants and volunteers receive a free T-shirt.

We come together for a free lunch followed by a program that celebrates life and encourages hope. The summer program traditionally offers swimming at Columbia Lake and a talent show, spring offers bowling, and the winter program celebrates Christmas with a visit from Santa.

Please email us at info@campcarekids.org or call 860-228-8843 for more information.

Camp Care Inc (held at Crossroads PT) 106 Route 66 East, Columbia CT 06237

Camp Care mission is to help children with special needs reach their highest levels of potential in physical and cognitive function while enhancing self-esteem and emotional growth.
